DIPSTEEL MINING ENGINEERING (PTY)LTD

About Us

Dipsteel Mining Engineering(pty)ltd is a trusted hygiene and cleaning solutions provider dedicated to creating safe, healthy, and spotless environments for businesses and households. With a commitment to excellence, we deliver reliable cleaning services and high-quality hygiene products tailored to meet the needs of our clients.

Our Mission

To promote health, safety, and productivity by providing world-class cleaning and hygiene solutions that exceed client expectations.

Our Vision

To be recognized as the leading hygiene and cleaning company, known for innovation, reliability, and customer satisfaction.

Core Values

- **Professionalism** – We uphold the highest standards in service delivery.
- **Integrity** – Honesty and transparency guide our operations.
- **Quality** – We use top-grade products and proven cleaning methods.
- **Customer Focus** – Every solution is tailored to client needs.
- **Sustainability** – Eco-friendly practices for a cleaner, greener future.

Our Services

- **Commercial Cleaning** – Offices, retail spaces, warehouses, and industrial facilities.
- **Residential Cleaning** – Deep cleaning, regular maintenance, and move-in/move-out services.
- **Hygiene Solutions** – Supply of sanitizers, disinfectants, and restroom hygiene products.
- **Specialized Cleaning** – Carpets, upholstery, windows, and post-construction cleaning.
- **Pest Control & Waste Management** – Safe, effective, and environmentally responsible solutions.

Why Choose Us

- Experienced and well-trained staff.
- Use of modern equipment and eco-friendly products.
- Flexible service packages tailored to client requirements.
- Commitment to health, safety, and compliance with industry standards.

Credentials

- Fully compliant with health and safety regulations.
- BBBEE contributor Level 1.
- Proven track record with satisfied clients across multiple sectors.
